Ayn, would you please review and revise if necessary the draft response which includes reference to Pavillion?

thanks,

Jeanne

Jeanne,

OWM is responding to a short letter from a concerned citizen regarding a variety of shale gas extraction concerns. The incoming specifically raised some general concerns with respect to Pavillion. I believe that is ORD lead. If so, if you could review the second paragraph of the attached for accuracy, I would appreciate it. It is very short. Thanks.
